

## eLearning for Healthcare Portal

1. Follow the link to the e-Learning for Healthcare website: <http://portal.e-lfh.org.uk/>
2. Click on the Register button to register by selecting a category that applies to you.

The screenshot shows the e-LfH portal homepage. At the top, there is a blue header with the e-LfH logo, a search bar, and the NHS Health Education England logo. The main content area is divided into several sections. On the left, there is a large banner with a woman's face and the text 'Contributing to the revolution in healthcare training in the UK' with a 'Register' button. Below this, there is a section titled 'Contributing to the revolution in healthcare training in the UK' with a description of the e-learning programmes. On the right, there is a login section with fields for 'Username' and 'Password', a 'Remember me?' checkbox, and a 'Log in' button. Below the login section, there is a 'System Requirements' section with a 'Check my device' button.

The screenshot shows the e-LfH portal registration page. The page is titled 'Registration' and has a 'Home' link. It contains two main sections: 'About you' and 'Please select which applies to you'. The 'About you' section has a list of radio buttons for various roles. The 'Please select which applies to you' section has two radio buttons: 'I am an incoming F1 Doctor this year' and 'I am NOT an incoming F1 Doctor this year'. The 'I am NOT an incoming F1 Doctor this year' section is selected, and it shows a dropdown menu for 'Tell us your job role:' with 'Trainee Doctor (Medical (GMC) and Dental (GDC))' selected. Below this, there are fields for 'Surname', 'GMC Registration Number', and a 'Register' button.

**You will need your GMC number**

- After successful registration look up **Safeguarding children and young people** and click to select the check box next to it.
