

eLearning for Healthcare Portal

1. Follow the link to the e-Learning for Healthcare website: <http://portal.e-lfh.org.uk/>
2. Click on the Register button to register by selecting a category that applies to you.

The screenshot shows the homepage of the e-Learning for Healthcare portal. At the top, there is a search bar and the NHS logo. Below the search bar, there is a large banner with a woman looking at a laptop, with the text "Contributing to the revolution in healthcare training in the UK" and a "Register" button. To the right of the banner, there is a login form with fields for "Username" and "Password", a "Remember me?" checkbox, and a "Log in" button. Below the login form, there is a "System Requirements" section with a "Check my device" button.

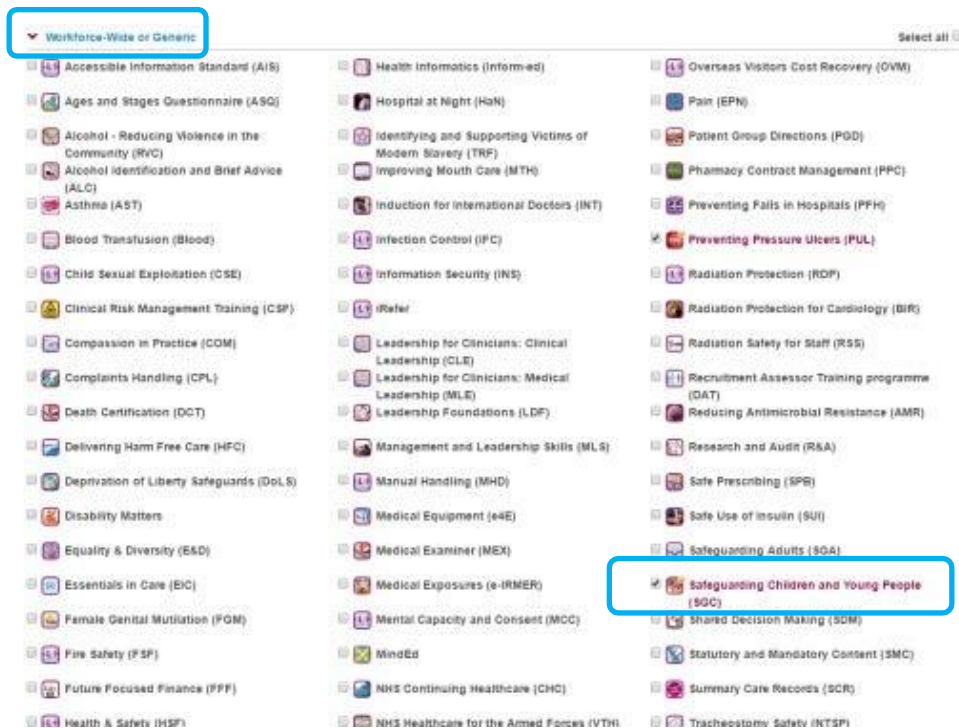

The screenshot shows the registration page of the e-Learning for Healthcare portal. The page is titled "Registration" and has a "Home" link in the top right corner. On the left, there is a "About you" section with a list of radio buttons for selecting a category. On the right, there is a "Please select which applies to you" section with radio buttons for selecting a job role. Below the job role selection, there is a dropdown menu for "Tell us your job role:" with "Trainee Doctor (Medical (GMC) and Dental (GDC))" selected. Below the dropdown, there are fields for "Surname" and "GMC Registration Number". A "Register" button is at the bottom right of the form.

You will need your GMC number

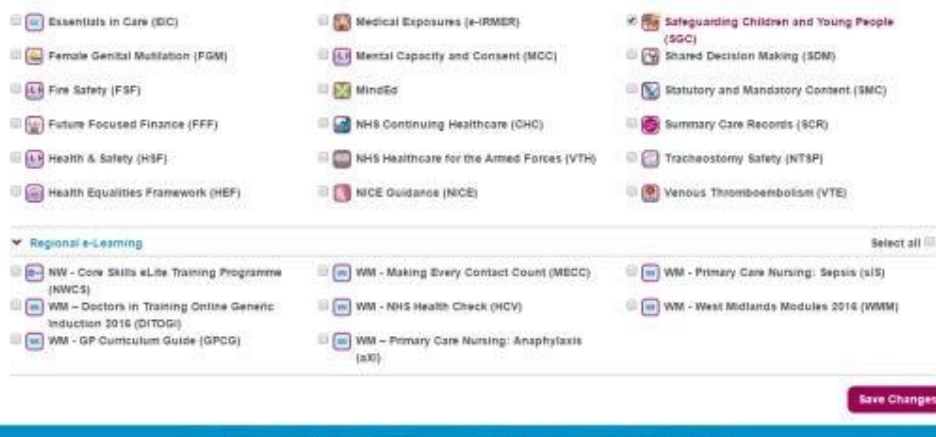

3. After successful registration look up **Safeguarding children and young people** and click to select the check box next to it.
